

We are Fluid Measurement Technology

Minimess® – Test point for safe connections

Minimess®

- Test points in fluid systems
- Couple under pressure
- 100% leakage-free
- Simple and safe
- Suited for all environments
- Large variety of types
- Customer-specific solutions

Minimess® p/T-coupling

- Pressure and temperature at one test point

Minimess®

- Hoses

Minimess® Gas

- Test points for gaseous media

Minimess®

- Direct connectors

Agricultural machines

Construction machines

Industrial hydraulics
